- This event is limited to the top 50 players in the points system for the year. If any of the top 50 players do not attend then we will fill open seats with those who finished in 51st and below. Our goal is to have a full slate of 50 players or more participating in the event. The host charity reserves the right to add additional seats if needed. It is highly possible that every player will have an opportunity to participate if there is available seating.
- 20% rake for hosting charity. \$10 optional at the table bonus to get you to the full 10,000 starting stack.
- Players will receive bonus chips depending on how they finished in the league standings for 2014. Breakdown of bonus chips will be below.
- There is one full price re-buy and 1 full price surrender option for this tournament. \$60 + \$10 optional bonus gets you back into the tournament for a 10,000 chip starting stack. A player may re-buy once and later surrender if they are short stack for the 10k in chips only no matter how many they started the tournament with.

- If a player did not pre-register or arrive by 6pm for the bonus chips they may opt for a \$5 charity donation to receive those additional promo chips to start with the 15k stack before league points bonus chips are applied.
- This tournament will award a \$1,000 January 31st main event seat to the first place winner. The funds for this seat will come from the league money collected throughout the season.
