- Pre Paid Players may send in check for pre paid amount and substitute with cash day of to ensure participation.
- Players who pre-pay get 5k bonus chips for starting stack, players who arrive on-time get 5k bonus stack for 40k max starting stack
- Re-entry players get starting stack only for \$1,000+\$15 during the first 9 levels. - Illinois charitable games act allows for players win tin \$500 in cash winnings above their original buy-in. The remaining prize pool can be allocated however the charity/player wants. For example you can use your winnings towards future poker events, to purchase gold, silver, or other investments. Pay down your cell phone bill or other items that allocate gift cards or gift certificates (cable, gas, electric etc). You can pick and choose what you want to do with your winnings. It is also on you the player to properly report your winnings on your personal taxes which includes your entry and prizes received. Any questions talk to Kirk 708-935-2861.
- Players in this event may be part of the charity backer program that allocated their original entry + 20% donated back to host charities of windy city poker championship. These players have won their seat during qualifiers or various entries that were put up by the host charity. Those who are charity backer will be indicated to the general field. If those players were to re-enter the event then they will receive their entry back first before the host charity receives their entry back prior to 20% of profit.
- Registration and re-entry thru level 9 may be decreased based on turnout. We will not want there to be a few eliminated players getting us close to the 20% planned payout threshold. At that point registration will close but re-entry will still be open thru end of level 9. A player who is eliminated has no longer than 30 minutes to decide if they were to re-enter the tournament if we are close to the 20% threshold to avoid a player waiting for others to bust before jumping into the event. Host charity and director will work to ensure the fairness of the game through these rules.
