Current structure as November 8th, 2017. Format allows for 40 player entries to finish by 120am. Structure may be adjusted for less player entries so as to add more play. 1200/2400 levels may be removed if needed for an on-time finish. Level 21 may become 7-14-2 followed by Level 22 at 10-20-3.

Registration may be closed early but will still allow for re-entry by players who are in the tournament. This will avoid a situation where multiple eliminations happen before the end of the entry period and players do not re-enter allowing for new players to have an advantage of finishing “in the money” by late registering.

SEE TOURNAMENT DIRECTOR FOR DETAILS.

All Illinois charitable gaming act rules apply. Payouts adhere to the Illinois Charitable Games Act – NO EXCEPTIONS. 10% rake on \$1,000 entry and \$1,000 re-buy. First place may include a \$3,000 seat for the next televised shady oaks camp charity poker championship.
